## The Compass ~ August 2025

Happy August, KBC family!

For the last 2 months, you have been challenged from the pulpit to really dig into who God is calling you to be, and to get active in the church- using the gifts He has blessed you with. Now it's time to TAKE ACTION!

The truth is, every single church that is experiencing growth in today's society is full of church members who are dedicated to doing their part and who are actively participating in all the church is doing.

Even as we are in the midst of summer, we have plenty going on, and plenty of opportunities to serve. And once the fall season arrives, plenty of more opportunities will arise- and we need YOU to help!

Another thing that every single church that is experiencing growth is doing is INVITING others to come to church! We have a handful of superstars in our congregation that regularly invite folks, which is why we see new faces every few weeks. Imagine if ALL OF YOU invited different friends and family every week? Imagine if those of you that have relationships with folks that have left our church took ACTION and called and invited them back?

This is what the church is all about.... we are all in it together! The next generation of KBC members and families are depending on YOU to make a difference, and I am challenging you to do so!

Can I depend on you? Will you join me in actively inviting others and praying for our church? Will you make an effort to be a part of all the church is doing, and use the gift that God has given you to help our church?

Thank you in advance...

I am so excited about what is to come for our church!

Many blessings,

Pastor Brian
