The Compass ~ September 2025

**It's
September!**

For many of us, the fall time brings the beauty of routine. As much as we love our summertime adventures, late nights and lots of fun activities, there is something so comforting about routine.

We begin to plan things better, sleep deeper, and we enjoy all the awesome things about the fall! Football, cool nights and “hoodie weather”, our favorite flannel shirts, and apple cider donuts!

Another welcomed part of the fall season is that our church begins to get busier and there are so many opportunities for you to serve and get involved in activities. We have our men's conference September 12-13, worship night on September 26, and our first ever KBC Chili Cookoff on September 27. In October, the Fellowship Feast returns, the ladies campfire at Donna Ryan's, and the men are heading to Bootcamp in Ohio! There will be plenty more added to the calendar- and I challenge you to find activities to get involved in! Church isn't just an hour on Sunday; Church is a community of Jesus followers that do life together.

We are all better together, and we will THRIVE if YOU get involved!

Here's to apple cider and pumpkin spice everything!

Much love,
Pastor Brian

Our first ever ALL CHURCH KBC Chili Cookoff!

Dig out our BEST chili recipe from your momma, your grandma, or your favorite cookbook- and get ready to share it with your church family! On Saturday, 9/27 from 6-8pm, we will gather in the Fellowship Hall and enjoy everyone's favorite recipe. Being an expectant heart and an empty stomach! For best results, bring your chili in a crockpot so it can stay warm, and we will provide the spoons and cups so that we can all try everyone's creations.

There will be a small condiment bar with sour cream, cheese and crackers if you want to add them to your favorites! There will be prizes... so bring us your best!
