The Compass ~ July 2026

Can you believe it is JULY already?!

I am so excited about what God is doing among us, and truly pray each and every one of you will make the decision to get more involved! It is the church's job to build each other up, to do the work that needs to be done, and to spread the Gospel and invite others to this incredible life as a child of God.

Are you doing your part?

Even with the summer time upon us, there are many opportunities to serve, to attend activities and to fellowship with one another. THIS is what a church community is all about, and THIS is why we need to continue to focus on creating a CULTURE that thrives in the ways of the Kingdom!

We have Aftershock activities, worship nights, the Bison's game, PLENTY of work to be done around the church building, plenty of ways to serve even on a Sunday morning! We need help in the nursery, we need help with tech and building procedures, we need ushers and I would love a welcoming team.

This October 9-10, we are HOSTING the American Baptist Churches of NYS Biennial! This is a tremendous honor- the Biennial has NEVER been held in WNY, and they chose our church due to all God is blessing us with and the size and versatility of our building. We will need volunteers to help with set up, break down, food and beverage service, possibly childcare, building procedures, welcoming teams and ushers, and many more. Will you help us?

Thank you for all you do for the church, and all you WILL do as we continue to grow. We cannot do it unless everyone does thier part- please don't sit on the sidelines waiting for someone to ask you to do something. Step up, step out and let's get to work building the Kingdom as God is asking us to do!

Much love,
Pastor Brian
