The Compass ~April 2024

Hello KBC family!

Spring is such a beautiful time, isn't it? God's creation begins to awaken after the dead of winter. Flowers are blooming, birds are chirping, grass is getting green and we get to feel the glorious sunshine and warmer temperatures!

And here in WNY, it is even more special as our entire region comes alive! So many fun activities, barbeques, sporting events and adventures; we certainly live life to the fullest in the warmer months!

So may this be a challenge to you.... don't miss out on all the goodness that will continue to happen in and through our church! We will be having some pop ups, extra activities, fellowships and outreaches, and we need our church family to stay connected!

As we move into the month of April, I will be introducing our new sermon series, Perfectly Imperfect. Our world places so many expectations and standards on us, and we allow them to dictate our lives before we remember who God created us to be and how He has gifted us to live. We will journey through the stories of some of our beloved Biblical heroes, and show that despite their struggles and shortcomings in this world, they were a beloved child of God, and all played a role in the life and ministry of King Jesus.

You don't want to miss it!

Thank you for being a part of what God is doing among us, and so grateful that you are a part of our future together!

Much love,

Pastor Brian
