The Compass ~ November 2025

Happy November, KBC family!

As we enter into November, our attention begins to shift to family, traditions, the holidays and making new memories for the next generation.

It's a beautiful season, full of love, warmth, joy and a sense of togetherness! It's also a season of giving, and prioritizing other people's needs and helping to take care of others who may need some extra help.

Can we, as a church, take all of those wonderful feelings, focuses and traditions and pour them into our church as well? Imagine if each and every one of you took some time to truly pour into another family, to give sacrificially to the church, to use the gifts that the Lord has blessed you with to bless others inside the KBF community.

We have so many who want the best for our church, and yet so little who do the work, volunteering and giving that is needed to maintain growth and stability. We need your help! And it is truly up to each and every one of us to do our part to make it happen.

We are better together; and it's time to rise up as a church family to create an environment of love, growth and devotion to the Kingdom in new and exciting ways. This is the PERFECT time to do just that!

With all the love,

Pastor Brian
